#### TABLE OF CONTENTS

To complete the course of study at Waynes-field-Goshen Local Schools takes twelve years. Some students spend the twelve years. Some students spend the twelve years simply passing time. Others try to make the most of the twelve years by studying, participating, and serving.

At Waynesfield-Goshen there will always be a place for those willing to study hard, to participate actively, to serve fully. Always will there be room for those willing to meet the challenge.

Dennis Hefner displays careful and accurate workmanship.

HAPPENINGS

#### CO-QUEENS REIGN AT W-G HOMECOMING

Each year the student body chooses a Senior girl to reign as Homecoming Queen, but this year tradition was broken as two girls tied for the honors.

Melody K. Weygandt, and Trudie Fae Snider were crowned as the 1970-71 Homecoming Co-Queens on October 16, 1970. Melody, the daughter of Mr. and Mrs. William Weygandt, was escorted by Senior Captains Dennis Dawson and Marty Weygandt. Trudie, the daughter of Mr. and Mrs. Bill Snider, was escorted by Senior Captains Roger Sanders and Mark Fuerst.

The Queens' Court, also chosen by the student body, consisted of: Carla Jacobs, Senior attendant, escorted by Seniors Rick Barnes and Greg Snider; Jan Babcock, Junior attendant, escorted by Seniors Tom Sutherland and Kevin Babcock; Sandy Horn, Sophomore attendant, escorted by Seniors Kim Turner and Dennis Young; and Alice Turner, Freshman attendant, escorted by Juniors Randy Painter and Ed Golliday.

The Junior Court included: Renae Walker, Jeff Schultz, Joleen Chiles, and Todd Rice.

Although the weather was cold and the game was lost, the girls were a success and spirits remained high at the Student Council sponsored Homecoming dance the following night,

#### "PARISIAN HOLIDAY"

#### 1971 JUNIOR-SENIOR PROM

Employing the theme "Parisian Holiday" the Junior Class, advised by Mrs. Judith Smith and Miss Sherlyn Rambo, transformed our well known gymnasium, on Saturday evening, May 8, into what appeared to be a street scene in Paris.

Depicting the theme were such decorations as a sidewalk cafe, street lamp posts, and many multicolored crepe paper flowers.

One of the main attractions was the replica of the Erfel Fower in the center of the floor. Spotlighted with different colored lights, this became a favorite background for photographs.

After a wonderful banquet everyone enjoyed themselves by dancing to the soft music of the Ray Coleson Orchestra. The Juntor Class succeeded in reaching their goal of giving the class of 1971 a prom they would remember for a long time to come.

Breaking a long term tradition at Waynes-field-Goshen, the 1971 Baccalaureate and Commencement were combined into one service which was held on May 23 in the evening.

With the Class of 1971 having voted unanimously to discontinue the afternoon service, the school board contacted Rev. Vernon Hurles, pastor of the Cridersville Church of the Nazarene, to deliver the combined graduation address.

Even though there was only one ceremony, a growing tend among high schools in the area, it was one of the shortest graduations time wise in memory.

#### SERENADE TO SPRING

The Waynesfield-Goshen Music Department presented a formal Spring Concert on Friday, May 14, to a full house,

Much hard work and many long hours went into its preparation, but everyone enjoyed it and felt it was very much worth the effort.

Devoted mainly to popular music, the program featured the High School Chorus, directed by Mrs. Toby Coder, the High School Concert Band, and the Junior High Band, both of which are directed by Mr. Edmund Nihiser. Choice chorus selections were Theme from Love Story, Close to You, and People, while the High School Band played favorites like The House of the Rising Sun, Serenade to Spring, and the William Tell Overture.

The beautiful flowers and scenery also added very much to the formal concert. It was truly an evening enjoyed by everyone.

Mr. Bayliff, yearbook advisor, works on the ad pages of the book.

The annual staff began its year's work by selling advertisements for the yearbook. Staff members sold ads in September through December. Next they took orders for this year's book.

Actual planning and layouts didn't begin until early April. A few preparations were made at this time, but due to a lack of interest by most staff members, progress was slow.

Editor Glen Yale and Senior section editors Amy Chiles, Trudie Snider, Melody Weygandt and Hope Blank, with the help of a few underclassmen, worked from May 19th until the second week in June to finally complete the book and meet their deadline.

Mr. Bayliff served as staff advisor.

#### SENIORS EDIT TIGER TYPE

This year's Tiger Type staff published 5 editions. Two of them were centered around Football and Basketball season. More art work and interest stories were added. The main change of the paper was the removal of the elementary and Jr. High sections, thus making it totally a high school newspaper.

The paper was sold at 10¢ per copy to help defray the cost of paper, stencils and ink.

The usual Senior edition could not be printed due to a breakdown in the mimeograph machine.

Miss Rambo served as faculty advisor.

Melody Weygandt and Amy Chiles work after school on the newspaper.

#### BAND RECEIVES "I" RATING

The girls all wore navy skirts, white blouses with matching gold vests and sat in a block at the games and shouted yells along with the cheerleaders.

The pep band was active during both football and basketball seasons. Cheerleaders, pep club, and pep band had several practice sessions together in order to organize school spirit.

## HONOR SOCIETY Records Destroyed

The National Honor Society Chapter got a late start due to the fact that their records were destroyed. Writing to Washington, D. C., Mr. Jeffrey, the club's advisor, received a copy of the constitution and a new charter. They proceeded to elect officers, Carla Jacobs becoming President; Hope Blank, Vice-President; Melody Weygandt, Secretary; and Kevin Babcock, Treasurer.

The induction ceremony was held on May 11, 1971, and fifteen students were inducted. The ceremony this year was of an informal style.

Secrecy was the byword during the induction. Everyone, except Honor Society Members, was unaware of the inductees until they were tapped for membership.

The National Spanish Honor Society is an inactive organization at W-G. Although the society
is inactive it is an honor for a student to become a
member. A student must maintain the qualities
of Leadership. Character. Scholarship, and Service,
the same as the National Honor Society. The main
difference is that a student must have a grade average of 3.5 or better in Spanish and must have taken
three semesters of the Spanish language. A student
should also show an interest in the Spanish language
and the Spanish department at W-G.

The society members are eligible to attend the State Convention in the Spring. Jim Arthur and Miss Estrada, the cl b advisor, attended this year.

# LIBRARY ADDS BOOKSTORE

The Library Club has become very active in the past two years. Instead of having a JR. and SR. club, they are now combined into one group.

All club members serve as student librarians. The Club's big project was the 'BOOKS TORE' located in the library. Paperback-books were sold to students during the past year.

The story-hour program for the elementary grades was broadened this year as librarians planned stories, films, record stories and art projects for the students.

In April the club celebrated its success with a dinner at the Chalet Inn, Wapakoneta.

During the 1970-71 school year, the Club Officers were: Manetta Ledley, Pres.; Larissa Carter, Vice Pres.; Melody Weygandt, Sec.; Rosalee Rinehart, Treas.; and Mrs. Yale, Advisor.

# AUDIO VISUAL EQUIPMENT IMPROVED

The audio visual program at W-G increases each year. New and better equipment has been added since last year. A new 16mm movie projector was purchased and has aided the science department greatly.

Projection crew members work during their study halls and deliver and set up the equipment for various teachers.

The boys organize things themselves with help through the office, where teachers sign up if they want to use the equipment. Their headquarters are located in the teachers' lounge.

Crew members Ed Golliday and Dennis Hefner take a break in the lounge while waiting for a further assignment.

#### BOYS' AND GIRLS' STATE

# High Honor for W-G Student

Glen Yale was the first student from W-G to win the State American Legion Americanism and Government Test. He received a trip to Washington plus a \$100 scholarship for competing against 75,000 students throughout the state.

Each year four students are sponsored by the American Legion Post, the Ladies Auxiliary, and the Waynesfield Lions Club, as delegates to Boys' State and Girls' State.

The purpose of Boys' and Girls' State is to give the tepresentatives the opportunity to learn more about state, county, and local government by actually participating in and setting up their own mock government.

Hope Blank and Trudie Snider attended Buckeye Girls' State at Capital University in Columbus for ten days during the summer of 1971. Hope served as board of education clerk while Trudie was a secretary to the House of Representatives. Their alternates were Carla Jacobs and Melody Weygandt.

Mark Fuerst was elected city council member, while Glen Yale was elected Chief Justice of Buckeye Boys' State, which was held at Ohio University at Athens. Greg Snider and Kevin Babcock were alternates.

#### BIBLE CLUB

# New School Club Organized

The Bible Club was organized in December, 1971, and was officially recognized by the School Board, as a School-related club in January, 1971.

Deborah Ball, who first suggested that a Bible Club be formed at W-G, was elected President at the Club's first meeting on the last Tuesday in January. Other officers elected at that meeting were Larissa Carter as Vice President; Kathy Harless as Secretary; Rosey Rinehart as Treasurer; and Ethan Bayliff was the club advisor.

The Bible Club Charter lists as the Club's primary purpose "... the study of God's WORD, the Bible, in order that men may know the truth, the real truth.

Jesus Christ is alive, and He is the Way, the only Way to God, and the one door by which men can escape an everlasting existence in the Lake of Fire prepared by God for the Devil and his angels... and for all men who reject Jesus as Savior and Lord of their lives."

During the months of February through May, the Bible Club met weekly after school to study the Bible, to pray and petition God, to praise Him and Jesus the Son, and to testify of God's Special Mercy to us all. Philip Skapura presented a lesson on the "Truth and the Word," at the second meeting.

#### **FOOTBALL**

# Discouragement Faced by Tigers

As summer vacation came to an end, the lettermen of W-G were beginning to wonder if they would have a football team in 1970. The boys had football fever but no coach.

The second week in August, Coach Zent started training sessions. By August 20, Coach Heffery had arrived and soon had the team looking like TIGERS again. Their secret for 1970 was one of organization, dedication, and just being themselves by showing true team spirit.

Four seniors were chosen as Co-captains this year. They were Dennis Dawson, Marty Weygant, Roger Sanders, and Mark Fuerst.

For the nine returning lettermen plus the other teammates, the season proved to be a discouraging one with the final standings at 2-8. Yet the season proved to be very rewarding in many other ways.

On May 19, 1970, sixteen girls were selected to represent Wayne-Goshen as their 1970-71 Football, Varsity and Reserve Basketball cheerleaders and mascot.

Tryouts were judged by three cheerleaders from Ohio Northern University and several faculty members. The girls were graded on ability, character, appearance plus several other requirements.

This year, Miss Karen Walton acted as cheer-leading advisor.

The Football cheerleaders' annual Snake Dance was one of their major projects, along with urging the boys to do the very best on the field.

The Basketball cheerleaders set up regular practice sessions which included exercises and various gymnastics. Their main objective was aiding the boys with team spirit by decorating the gym, locker room, and the bus.

Also this years' cheerleaders along with the lettermen participated in a Christmas card sale,

# Tigers Have Excellent .565 Season

W-G's Baseball Team ended their season of 1970-71 by playing 23 games during the spring months of April and May of 1971. At the end of the season their won-lost record was a commendable 13-10.

The W-G players were in two tournaments this year and the first tournament was a round-robin affair in which the Tigers became runners-up when they defeated Perry 11-1 but lost to Spencerville by a score of 14-9. In the Sectional Tournament the Tigers won the Championship by defeating Ada 5-1, and then beating Wapak St. Joe 8-2 in the deciding game. In the first district tournament game the Tigers were defeated by Mendon-Union by a score of 6-5.

Mark Fuerst was awarded the MVP Trophy and Robin Arthur received the Best Batsman Trophy in Sectional Play.

The team owes much to Coach Van Curen and to efforts of individual players.

W-G tracksters for 1971 made an excellent showing for their school. They captured the ACL-Title again this year and were runners-up in the WCOC.

Along with participating in regular season meets they competed in the Flyer Invitational and the Marion Spectacular.

Five school records were broken during the season. Joe Stiles broke the record for the mile run, Kevin Babcock was a dual record breaker by breaking both the 220 and the 100 yard dashes times. The 880 yard relay team of Tom Hutson, Kim Turner, Marty Weygandt and Kevin Babcock ... broke the record set last year, and Tim Wireman set a new record in the two mile run.

The team placed 5th at the Sectional meet, and then competed at the District meet. For the first time in W-G History the 880 yard relay team won at the District meet which entitled them to run at Ohio Stadium in Columbus, for the State Track Meet. Although the team didn't place at State ... it was a rewarding experience for them and W-G was proud as it saw them go.

## School - A New Experience

New and thrilling experiences faced this year's first graders as they became students for the first time in their lives.

Compared to past years, both Mrs. Lhamon's and Mrs. Kerchenfaut's classes were quite large in size.

As an entertainment, they were permitted to go

to the library for a story hour each Wednesday afternoon. Here they were read stories about various adventures and shown films.

After a year of study and development on the skills of becoming students, they now have a big and rewarding future ahead of them.

This year the second graders began a new experience - creativity. They worked on everything from planting corn, grass, soybeans, etc., to making Christmas decorations.

As others did, they too enjoyed the library periods with the new stories and books.

They also became acquainted with science

which included experiments concerning light, heat, darkness and magnets. New reading and math skills were also applied.

Many of the children discovered that school is not quite so bad, if one applies himself. Said one of the teachers: "We'ver worked and we've had fun!"

Pollution faces the nation including this year's fourth graders.

Projects included: making posters to illustrate the different means of pollution, cleaning the trash off the playground, and picking up debris they found in the building. Discussions were held and bulletin boards depicted the plight of pollution.

Making geography more interesting, the class participated by writing to a Peace Corps volunteer in India. Many new and exciting facts were learned about the country.

In completing the first half of their twelve years of schooling, the sixth grade students were provided a foundation of prime knowledge upon which the students can build as they go on to Jr. High and High School.

According to their teachers, Mr. Van Kueren and Mr. Purdy, this has been accomplished by grouping of the students and by individualized instruction where the students gain insight into the realm of the outside world.

Debbie Wagner and Melody Foor are shown helping serve food during lunch in the Jr. High cafeteria.

Completing their last year of elementary education, the eighth graders anticipate their high school careers.

During the latter part of the year the students signed up for next year's classes.

On May 28, 1971, the eighth grade graduation was held, with a dance following the assembly.

Although there is some sadness about leaving Ir. Hi, the rewards that they will receive in high school will outweigh them immensely.

FRESHMEN

## **Entering High School Life**

At Freshmen, the class entered the "big time" of high school life. The students gained for the first time the opportunity to take subjects which they picked themselves. Several Freshmen lettered in varsity sports and some were cheerleaders.

The Freshman Class had three concession stands, with the money being placed in the class fund to be used later for the Junior-Senior Prom and Banquet when they become Juniors.

Mike Moyer served as President, Charles Sutherland, Vice-President; Alice Turner, Secretary; and Tim Shobe as Treasurer. The class advisors were Mrs. Pusey and Miss Estrada.

The major portion of the Junior Class's efforts were aimed at earning money for the Junior-Senior Prom and Banquet. Under the leadership of their President, Joe Stiles, and class advisors, Mrs. Smith and Mr. Zent, the class held concession stands at Basketball and football games. A Sadie Hawkins dance was held, as was a sock-hop. In the fall the Juniors sold T-shirts which had the school emblem printed on them.

Jackie Foor served as Vice-President, while Bev Fuerst served as Secretary and Tom Hutson as Treasurer. In April, Miss Rambo replaced Mr. Zent as class advisor when he resigned his teaching position.

In early spring the decorations were purchased and in May the annual gala event was held, preceded by a full week of decoration.

Also, in early spring the Juniors received their senior keys.

The final event of the year ironically was graduation, for which they purchased flowers and painted a large sign with the Senior Class motto on it and which hung on the stage graduation night.

"Have love for others and they will have love for you, for with love there is hope and with hope there is faith."

After twelve years of school, for some it is on to college, for some it is on to a trade school, and for others it is on to work.

Some are glad to leave, some are sad, and others are indifferent. No matter how they feel, hopefully it is on to bigger and better things.
